

Our mission is to encourage and promote the sport of autocross both competitively and casually. Our focus is to foster a safe and enjoyable experience where drivers can learn the limits of their car and gain valuable driving skills in a safe and controlled manner. We also strive to foster a community approach with many members involving family and friends to help create an automotive community within Central Oregon. Autocross Club of Central Oregon (ACCO) was founded in 2001 in Central Oregon.

We are offering an opportunity for you to participate in great events presented by ACCO. Our club's purpose is to provide an avenue for local drivers to improve their understanding of and applying the skills required in controlling their automobiles. From these events we hope to earn money to return to the public by donations to deserving non-profits organizations within the Crook, Deschutes, and Jefferson County area.

ACCO is a non-profit service club, 501(c)7, Oregon registration #034810-90, Tax ID #87-0744862.

Season Goals

1) Used Car, estimated Cost: \$3000- \$4000

Partner with Bend and Redmond High School Automotive Shops – Purchase a used car to donate to the automotive shop for students to repair and prep for autocrossing in the 2025 season. Work with local automotive companies to supply parts.

2) Sponsor Rides for Wounded Warrior Project and Oregon Adaptive Sports

We want to partner with these groups to provide opportunities for their members to experience the sport of autocrossing by riding with one of our club members or provide them with free entry for one autocross event.

3) New Laptops & QuickBooks: Cost: \$1500

Our goal is to purchase a new laptop for our Treasurer. We need to update QuickBooks for Accounting. Purchasing new laptop for a failing one will allow us to keep important records for reporting purposes.

We conduct autocross events at Hoodoo Mountain Resort, Redmond High School (RHS) and Mt. Bachelor.

Autocross Events

Autocross Event Sponsorship or Season Sponsorship opportunities.

We conduct autocross events at Hoodoo Mountain Resort, Redmond High School (RHS), and Mt Bachelor.

What you get is the following recognition.

Event: \$250	Event Sponsors are announced over the loudspeaker periodically during the event. Event Sponsors logos are also featured on all ACCO event flyers, course maps, announcements, and our web page. Hanging of Company banner, provide by you, at the event/s sponsored.
